Pegasus 3 & 4-Wheel Scooters

Stronger, Smarter, Safer. Invacare Canada proudly introduces the innovative, European-designed Pegasus 3 and 4 wheel scooters to North America. With a focus on safety, reliability and an energetic character, the Invacare Pegasus is fully equipped to ensure a safe, stylish and comfortable ride. Whether you enjoy a daily trip to the mall or travelling further afield, the Invacare Pegasus provides the performance, freedom and independence you deserve.

Stronger

- Dual rear adjustable suspension and dual front spring suspension provides a smooth ride
- 4-Pole, 250 Watt motor delivers travel speeds up to 12km/h
- Inner fenders protect motor and electronics
- Reinforced welded frame
- Welded transport tie-down brackets

Smarter

- Speed Reduction Technology automatically reduces travel speed while cornering
- Fully programmable electronics
- Intelligent Lighting with auto cancelling indicators

Safer

- Two stage brake disengaging lever
- Automatic brake light and self-cancelling signal flashers
- Delta Tiller with unique dual hand position throttle
- LED lit control panel

Speed Reduction Technology
Automatically slows down the scooter around bends and corners.
